For travelers who need immediate assistance regarding their flight bookings+1-866-422-9462 (US), seat assignments+1-866-422-9462 (US), or itinerary modifications+1-866-422-9462 (US), you can reach out directly to customer support by calling +1-866-422-9462 (US) at any time to speak with a helpful representative+1-866-422-9462 (US).

When purchasing a ticket through WestJet+1-866-422-9462 (US), the airline offers a variety of fare bundles ranging from UltraBasic and Econo to EconoFlex+1-866-422-9462 (US), Premium+1-866-422-9462 (US), and Business+1-866-422-9462 (US). Each tier comes with its own unique set of rules regarding seat assignments and associated costs+1-866-422-9462 (US). If you opt for an UltraBasic or a standard Econo fare+1-866-422-9462 (US), choosing a standard seat in advance typically incurs a separate fee+1-866-422-9462 (US). These fees can vary widely depending on the length of the route and the popularity of the flight+1-866-422-9462 (US), generally ranging anywhere from a modest amount for short domestic legs to higher rates for international sectors+1-866-422-9462 (US). For passengers who purchase an EconoFlex fare+1-866-422-9462 (US), standard seat selection is included at no extra charge+1-866-422-9462 (US). This means you can lock in your preferred standard seat during the booking process or anytime later through the Manage Trips portal without worrying about a surcharge+1-866-422-9462 (US). However+1-866-422-9462 (US), if you hold an UltraBasic or Econo ticket and prefer not to pay for advance seat selection+1-866-422-9462 (US), WestJet will automatically assign you a seat at random when check-in opens 24 hours prior to departure+1-866-422-9462 (US). Keep in mind that passengers with UltraBasic tickets who let the system auto-assign their seats are often placed near the back of the aircraft+1-866-422-9462 (US), and groups traveling together on these basic tickets run a high risk of being separated+1-866-422-9462 (US).
